Chiefs Report:

All Trustees received a copy of the alarm report.

All Trustees received a copy of the inspection report along with the list of completed inspections for this month.

Chief reported that the Open house was a success, there were approximately 800 people that attended. We gave away 300 goody bags, 300 helmets, 270 picture magnets, 330 flu shots, 500 hot dogs, 12lbs of Maurice Lennell cookies, 200 bags of popcorn from Norridge show and Al Air, 50 gallons of lemonade, 10 pizzas from Dominoes that were donated, and 2 trays of subs from Rex's that were donated. Next year Luke's hot dogs would like to donate all the hot dogs and buns.

The Chief thanked all who helped- 9 on duty crew, office staff, 11 off duty firefighters, 3 Explorers and many others that chipped in; Pat and Paul Szczurek, Mark Chester, Bob Martell, Father Fred, Laurie, Amy, Ashley, and Katie Kovalcik, and the Chief's daughters Kelly and Brigit and many others.

Trustee Sulimowski asked if there were any thank you cards sent out, Chief replied that we have a donation board thanking the businesses that donated and there are thank you letters sent out. Village towing always supplies the department with vehicles to use in training and the open house demonstration, there is a plaque being made to thank them. The only issue we had was the helicopter not being able to land due to O'Hare restrictions.

Last week the Chief and Deputy Chief attended the Illinois Fire Safety Alliance award ceremony at Navy Pier, there were many Chief's and other public officials along with 700 people in attendance. Stan Koy received an award for the work he did in public education with the comic book project.

The audit started today, we had a meeting with Trustee Chmura, Trustee Sulimowski, Jim Pandolfi, Todd Buikema, Cyndi and myself. We discussed the things that need to be covered this year.

On a sad note, firefighter Dan Davila's mother passed away after a battle with pancreatic cancer.

There was a spreadsheet distributed regarding the 5 quotes received for the fuel pumps and monitoring system. Today we had 3 inches of water in one tank and 2 inches of water in another tank pumped out, the most likely cause is the caps and gaskets which were replaced today. Chief reported that the prices of diesel fuel in gas stations is substantially higher than having it delivered. Discussion.

A motion was made by Trustee Hadfield and seconded by Trustee Skyba to accept the Chiefs report as presented for September 2008.
