**Chiefs Report:**

All Trustees received a copy of the alarm report.

All Trustees received a copy of the inspection report along with the list of completed inspections for this month.

The levy is on the agenda, there were some changes due to the way we did the new budget. We worked with our attorney to come up with the figures and the format. Discussion.

The Christmas party was a huge success, thanks to the Board for supporting the party. We had over 90 people attend.

The officers exam is completed and the final list is posted. I sent everybody a copy of the results with Firefighter Peistrup at the top of the list and Firefighter Virgils second followed by Firefighter Schneider. The list is good for three years. There are no openings at this time. Discussion.

Everybody received a copy of the annual treasurer's statement. Starting this year, we are able to post a notice in the paper stating that the document is posted at the firehouse for anybody to review. This will save us a few hundred dollars by not publishing it in the newspaper. Trustee Chmura stated that it also has to be posted on the website.

The Village of Harwood Heights has not paid their portion of the repairs for the early warning system. I have contacted the 911 board and they said they are trying to take care of it but it might take some time. We did receive the governmental agreement with the taxing bodies. Everybody but Harwood Heights signed the copy.

The first day to hand in petitions for the upcoming election is December 17<sup>th</sup> at 8am. If there is more than one person handing in at that time we will have to do a lottery. This is scheduled for December 27<sup>th</sup>

at 9am, Secretary Strempek will need to be there. The last day for handing in petitions has been changed from December 24<sup>th</sup> to December 26<sup>th</sup> at 5pm.

Cmdr. Carpino is on FMLA until December 24<sup>th</sup>, at that time his insurance runs out and he will have to make a decision. There are legal questions as to what he needs to do with his insurance. Attorney Flaherty is on top of the situation. Discussion.

The fence is completed and looks great. We have not heard anything from the developer.

All the new Hurst extrication tools arrived and are in service. Everything works great and the men believe it is a big improvement to our equipment.

Reminder that everybody needs to do the Open Meeting Act training before the year is over.

A motion was made by Trustee Skyba and seconded by Trustee Lympelopulos to accept the Chiefs report as presented for November 2012.
