All Trustees received a copy of the inspection report along with the list of completed inspections for this month.

We held a Commissioners meeting this morning to prepare for the entry level written exam this Saturday at 9am at the Estelle Sieb center. There are 72 applicants approved to take the exam. The Commissioners will be trained and hold the oral exam for the top 25 sometime in early October. Within a month after that, we will have a list.

The audit began on August 20th and the field work was completed by the end of the month. We talked to the auditors last Friday and they said everything was going well and we should have our finished product by the end of September.

Brad Virgils came back to work a couple of weeks ago after 6 months off from surgery. I reported that Lt. Art Koszczuk injured himself off duty and had surgery; he is scheduled to be off work for 12 weeks. Firefighter Rich Appelhans was injured at a fire last week and is on Workers Compensation waiting for an MRI, I will keep you informed of his status. There could be an abundance of overtime due to these injuries.

The work on the parking lot is completed. The sewers were raised thanks to Norridge Public Works, 1,000 square feet of new asphalt was installed and the lot was seal coated and crack filled. The concrete work on the two front entrances and the patio has also been completed.

The Open House is scheduled for October 5th; I hope all can make it to greet our residents.

The flu shot program will start at the Open House; they will be free to residents. Mary Field has agreed again to donate the cost of the vaccine. Resurrection Hospital nurses are donating their time to administer the vaccine. We will also be going to the homebound and the Township Hall.

We have scheduled a class for the Trustees on October 26th. Attorney Shawn Flaherty and our accountant's from Lauterbach will be giving the class. Shawn will discuss this during his attorney report.

We will be holding a short ceremony tomorrow morning for 911. This will begin around 8:50am.

Presidents Report:

Nothing to report at this time.

Attorney's Report:

Attorney Flaherty discussed Public Act 98-0316 which passed. This is a bill that will allow you to have maximum rate in the ambulance fund at .4% without referendum. This should prevent the District from having to collect less money due to the EAV decreasing. You will be advised to levy 50/50 from Corporate and Ambulance.

Training in October with the Attorney, Accountant and Auditors, it was discussed that the Trustees do not need the annual training since they are completed this year for their requirements. They do not need to do this again until 2014. Trustee Martell stated that the idea of this training was to make sure that the Trustees know what they are talking about. Discussion. Trustee Martell asked if the increase will give us more cash now with increasing the cap in the ambulance fund. Attorney Flaherty stated that it will not, it just increases the cap. Trustee Martell explained at what percentages we allocate certain funds.

Trustee Martell states that we are looking for Truth in Taxation to capture new growth. CPI is 1.7% this year. If you have new construction that goes on the books and is not a TIFF, Truth in Taxation will allow you to ask for more than 5%. If you do not catch the new property when it comes on the tax rolls then you lose that growth. Trustee Martell states that we are going to ask for 10% to 15%. Existing homeowners will see a slight increase.

911 in Harwood Heights ETSB surcharge, we do not have authority to get a portion of it. They would have to be willing to give us a portion of it. Discussion. Trustee Martell explained the history of what he remembers happened. Norridge does not charge 911 surcharges, but Harwood Heights does and Trustee Martell would like Norridge to charge Harwood Heights for dispatch and not us. Trustee Martell asked for the Chief to send the attorney the dispatch contract to look at. Discussion. Trustee Romano asked if Harwood Heights could dispatch fire/ambulance calls when it is in their town.

Discussion on utility tax and the department being charged for water Attorney to draft a letter to Harwood Heights requesting that they stop charging us utility tax.
